

2016 Shortlist Presentation Schedule

The Economic Development Trust (EDT) is in the process of reviewing applications for community investment of the 2016 Trust funding. As part of the process, requested applicants are required to complete an in-person presentation in order to provide specific points of clarifications to the Trust. Each applicant will be given 10 minutes to present, followed by a 10 minute question and answer period.

The EDT invites Community members to the Six Nations Tourism Building to observe presentations and learn more about the shortlisted proposals.
