

## 2018 Shortlist Presentation Schedule

The Economic Development Trust (EDT) is in the process of reviewing applications for community investment of the 2018 Trust funding. As part of the process, shortlisted applicants are required to complete an in-person presentation to the Trust. Each applicant will be given 10 minutes to present, followed by a 10 minute question and answer period.

The EDT invites community members to the Six Nations Tourism Building to observe presentations and learn more about the shortlisted proposals.

If you have any questions please contact our office at 519-753-1950 or trust@sndevcorp.ca.

**Shortlisting does not guarantee approval for funding.**

### Saturday November 25, 2017
