About the Economic Development Trust

The Economic Development Trust (EDT) is the mechanism in which surplus profits generated by Six Nations of the Grand River Development Corporation (SNGRDC) are invested into the Six Nations community for the collective benefit of its members. This model of distribution was a direct result of the 2011 community engagement study "We Gather Our Voices". Following the launch of SNGRDC's remodeled governance structure in March 2023, the mandate of the EDT has become a function of the SNGRDC Board of Directors, which will continue to provide funding for community

investment. For more information visit www.sixnationsedt.ca.
